

## **Project: Spark**

You should always have love and spark for the work that you do!  
This is why we have named the project “Spark” as everything starts with a spark.

Dates: acquiring the legal document from November to end of December of 2021. Building time from January of 2021 until July of 2023.

Opening, summer of 2023. Total period of the project is 1.5 year starting from 1 November 2021 to 1 July 2023.

Location: Blonia, Poland.

Target group: people who are interested in doing outdoor activities, especially young people.

Aim: provide cultural space and opportunity for youth to express themselves and improve their skills

Description: Spark has a Skating Park, basketball court, as well as outdoor gym with various gymnastic equipment, and Graffiti place. A building is also planned next to the stadium with changing rooms, information label and WC. Outside of the building, you can find four different recycle bins, one for plastic, paper and glass trash. Spark also includes big screens for live stream and live connections with other places to play football games, record sport events and videos to enable young people in Spark to attend the game without leaving the park. For Ping Pong lovers, you will have the opportunity to play and compete with your friends and siblings as the park contains four different tennis tables. The park will give you the chance to have great coffee breaks and delicious food with the presence of food trucks.

Budget: (500.000 Euro)

7 Skating\* 2000= 14000 euro; Basketball: 8000 Euro; Outdoor gym: 10.000 Euro,  
Four Tennis table: 1600

WC: 10,000 Euro; Trash cans : 400 Euro

40\* 150 benches= 7500 Euro; Electric benches 28000; Lighting system: 100.000 Euro,  
TV screens: 3\*10.000= 30.000 Euro

Impact: By providing a space, which gives opportunities for activities, it will affect the physical and mental health of the young people by giving them a chance to stay away from the streets and from other dangerous and illegal things. Young girls and boys and even people from older generation will enjoy their free time in a healthy and rich environment that will also allow them to make new friendships.

Result: Revived and more active community. Socialized youth from various age and sex groups that will also affect the more broad civic society.

Dissemination: Promoting “Spark” through social media pages (Instagram, Tiktok and Twitter) through putting Hashtags and pictures of the future program. Installing huge panels in the streets with beautiful graffiti stating “Coming Soon 2023” in the city of Blonia and other surrounding cities and areas.
